Catching your bus at Night

When catching your bus aim to be at the stop five minutes before. Please signal for your bus, holding out your hand.

Wear bright clothes or reflective gear so that you can be clearly seen, also hold out a lit mobile phone screen as an extra help in the dark. If not, use the back of your puffinpass

how to catch a bus

- Be at the bus stop at least 5mins before departure
- Always signal for your bus
- At night, wear bright clothing and light the area where you are standing, if not, hold out the back of a puffinpass when you are signalling
- Boarding is done with a puffinpass or credit or debit card. No cash is taken on the buses.

You can board the buses at any of the stops around the island. Bus stops are either painted on the road or shown by bus stop signs on poles. Buses are only caught at bus stops. When catching your bus aim to be at the stop five minutes before. Please signal for your bus, holding out your hand. In winter, hold out a lit mobile phone screen as an extra help in the dark. If not use the back of your puffinpass.

Please be aware that a number of the stops serve several routes, so be on the look out for the right bus as it approaches. A Sunday service will operate on bank holidays.

timetable

A year-round timetable is operated Island-wide, across the network of 20 bus routes. Added to that is the Friday and Saturday late night bus services of N1, N2, N3 and N4.

the S1, S2, S3, S4 evening services

These services depart The Town Terminus at 8:35pm from Sunday-Friday. These standard fare services will follow established night bus routes. See pages 82-85.

S1, S2, S3, S4 does not operate Saturday

a fully accessible fleet

The low floor buses have a wheelchair ramp and a dedicated wheelchair space that can be used by nearly all wheelchair users. The driver will set the ramp to board and disembark. Please let the driver know if you then need additional help while using the ramp.

Arrangements can be made to test new or different wheelchairs for access to the buses by calling the customer services team.

In addition, some buses have kneeling suspension so they can be lowered to provide easy access for older people or people with disabilities.

Passengers are advised to wait for the bus to completely lower before attempting to board and when alighting. Please also use the handrails.

Should you require any additional assistance, please ask the driver who will be happy to help, where safe and possible to do so.

the accessibility card

For those passengers who may require a little extra assistance we are pleased to offer an accessibility card.

Catering for a range of special requirements, these cards allow the holder to discretely and confidently advise the driver of the help they need, as they board.

Cards are available at the Town Terminus Shop or by calling **700456**.

telling the driver to stop

When the bus is on its way, press the buttons on board to tell the driver that you would like to get off at the next stop. Designated bus stops are used for departure from the bus.

getting off the bus

If seated, wait for the bus to come to a complete stop before moving to the exit. When getting off the bus, ensure you have all your belongings with you as you leave, taking any litter you may have with you.

connections and changing buses

If you need to change routes to complete your A-B journey, you won't need to pay twice.

Exchange your bus ticket - on the next available bus that you need to complete your journey - for a transfer ticket valid for the onward travel.

Transfer tickets cannot be used for return journeys or when re-boarding a bus if it has been possible to complete your journey on the original route. Transfers tickets cannot be used on night buses.

When using your ticket to complete your trip, the second leg must be the next available service to complete the journey.

safety on board

The bus operates a no-smoking policy (this includes e-cigarettes) on all vehicles. Please be considerate to your fellow passengers.

While bottled water is permitted, no other drinks or food may be consumed on board. No hot drinks may be taken on board.

Fully folding bikes that are contained in a bag may be taken on the bus. No other bikes are permitted. Further details of items that can be carried on a bus can be found at **buses.gg**

All those attending full-time education in the Bailiwick can apply for a student **puffin**pass, giving free and independent travel on all standard daytime journeys. This pass does not include Friday and Saturday Nightbus or Routes 91 and 92 when used to circumnavigate the island.

standard journey fare

The standard fare applies to all A-B journeys on all daytime routes and Sunday evening services. Savings are made when using an orange pay-as-you-go **puffin**pass. Only contactless payments and **puffin**pass products can be used on the buses. Cash may be taken at the Town Terminus Shop for the sale of day tickets and **puffin**pass products.
